Youth Animal Project Agreement

*To be completed at the beginning of project

The 4H or FFA member is responsible for caring for the animal, which will include, feeding, worming providing clean water, a pen, washing & showing. The member will use this project as an educational tool to learn skills needed in the livestock industry. This project will also help the member to accept success and failure as a learning experience. The member will keep accurate records on the animal.

I accept these responsibilities:

Date

4H or FFA Member Signature

The parents are responsible for providing financial assistance, encouragements as well as physical assistance to the member raising this animal. This is a family experience.

I accept these responsibilities:

Date

Parent or Legal Guardian Signature

The 4H or FFA Leader is responsible for visiting the member and the animal to give assistance and advice when needed.

I accept these responsibilities:

Date

4H or FFA Club Leader or Advisor

Purpose

The purpose of a market animal youth project is to achieve the following:

- To acquire an understanding of market animal production by preparing for purchasing, caring for and keeping records on one or more head of animals
- To be able to identify the types and grades of animals and employ efficient methods of marketing.
- To understanding the business aspects and economics of purchasing animals, feeds, facilities, and equipment for an animal project
- To develop integrity, sportsmanship, and cooperation
- To develop leadership abilities, build character, and assume citizenship responsibilities

Other Income

Other project income should be recorded here, such as show premiums, sponsor income or other money earned from your project. If you have no other income from this project prior to the fair, enter -0-.
